

## MATHEMATICS

### Transfer Program

*\*and required General Education coursework and electives as needed to meet the minimum 60 units required for the Associate degree.*

Mathematics provides the foundation for studying engineering, the physical, biological and health sciences, economics, business, computer science, statistics and many other fields. A major in mathematics itself opens up job opportunities in many fields since mathematical problem-solving skills are widely applicable. Thus, people with mathematical degrees work in fields such as accounting, budget and financial analysis, market research analysis, demographics, banking and finance and systems analysis, and many others.

### TRANSFER PROGRAM - MATHEMATICS

Cañada College offers lower division coursework required for transfer in Mathematics. Students should use PROJECT ASSIST ([www.assist.org](http://www.assist.org)) to research lower division major requirements at the transfer destination(s) of their choice. Also, work with a Counselor/ Advisor to determine appropriate transfer coursework.

## MUSIC

**Associate in Arts**

**18 units\***

**Transfer Program**

**Available**

*\*and required General Education coursework and electives as needed to meet the minimum 60 units required for the Associate degree*

“In a world of political, economic, and personal disintegration, music is not a luxury but a necessity, not simply because it is therapeutic nor because it is the universal language, but because it is the persistent focus of man’s intelligence, aspiration, and good will.” -Robert Shaw.

The Music Department at Cañada College, through its outstanding faculty, places strong emphasis upon performance, both individual and group. At the same time, the department offers the general student enhanced understanding and appreciation of all forms of music. Through this two-fold approach, the department’s purpose becomes clear: to promote excellence in all aspects of music performance and academic course work, to provide basic preparation for careers in music, and to promote interest in all musical and artistic endeavors at the college and in the Bay Area community.

### **ASSOCIATE IN ARTS -MUSIC**

#### ***Core and Selective Requirements***

#### **Core Courses, 12 units**

	<b>Units</b>
MUS. 101 Musicianship I	3
MUS. 102 Musicianship II	3
MUS. 131 Harmony I	3
MUS. 132 Harmony II	3

#### **Selective Courses, choose a minimum of 6 units from the following list**

MUS. 202 Music Appreciation	3
MUS. 496 Musical Recitals	2
Applied Music classes	4
Performance classes	8

*All music majors should include four semesters of piano or keyboard harmony in addition to the above.*

### **TRANSFER PROGRAM - MUSIC**

## PARALEGAL

**Certificate of Proficiency** 27 units+

**Associate in Science** 27 units\*

+meet Certificate Program requirements listed on page 36.

\*and required General Education coursework and electives as needed to meet the minimum 60 units required for the Associate degree.

The Paralegal Program at Cañada was developed in cooperation with the San Mateo County Bar Association and the San Mateo County Legal Secretaries Association to train personnel to assist attorneys in both civil and criminal matters. Instruction centers on assisting the attorney in interviewing clients and preparing for court appearances, as well as doing legal research and preparing legal documents. Courses must be evaluated by a letter grade, not by the credit (CR) grade.

### CERTIFICATE OF PROFICIENCY - PARALEGAL

## PHILOSOPHY

**Associate in Arts** 18 units\*

**Transfer Program** Available

\*and required General Education coursework and electives as needed to meet the minimum 60 units required for the Associate degree.

Philosophy is a disciplined reflection on the human condition. It can be an analysis and criticism of ideas and statements, or an attempt to synthesize all experience and knowledge, or an exploration of the meaning of life and how best to live it. Critical thinking is developed while examining peoples' responses to fundamental questions.

## PHYSICAL SCIENCES

Associate in Science - Chemistry 18 units\*

Associate in Science - Physics 18 units\*

Transfer Program Available

*\*and required General Education coursework and electives as needed to meet the minimum 60 units required for the Associate degree.*

The Physical Science Department is designed to give the student breadth in the physical sciences while providing considerable strength in one of the specialized science fields of chemistry, geology, or physics. The lower-division program in the physical science major is virtually the same as that taken in the first two years of college by a chemistry major, physics major, or geology major, thus enabling students to transfer among these majors if they so choose. A major in physical science can serve as preparation for further study in technical fields and serves as an excellent background for professional training in law, business, medicine, or education.

### ASSOCIATE IN SCIENCE - CHEMISTRY

#### Core and Selective Requirements

## PSYCHOLOGY

**Associate in Arts** **18 units\***

**Transfer Program** **Available**

*\*and required General Education coursework and electives as needed to meet the minimum 60 units required for the Associate degree.*

Psychology, a natural and social science, is concerned with the study of human and animal behavior. While the individual is usually the focal point, as in personality, developmental, clinical and counseling areas, the influence of groups on the individual is also considered. A broad discipline, psychology involves both pure science and practical application to everyday living.

### ASSOCIATE IN ARTS - PSYCHOLOGY

## RADIOLOGIC TECHNOLOGY

### Associate in Science

61 units\*

\*and General Education coursework to meet Associate Degree requirements. Recommended that the majority of the General Education requirements for the AS degree be completed prior to entry to the program.

Contact: Rafael Rivera  
Phone: 306-3283  
Email: canradtech@smccd.net  
Web: canadacollege.net/science/radtech

### (X-RAY TECHNOLOGY)

The Radiologic Technology program offers a comprehensive curriculum leading to an AS degree and qualifications for employment in medical facilities throughout the country. Students participate in classroom instruction and clinical education in our affiliated hospitals. Program graduates must take the licensure examination required by the State of California and the certification examination given by the American Registry of Radiologic Technologists.

Prospective students must complete a separate application to the program (available in November for the following summer entrance) in addition to the regular college application. An information meeting is held annually in November for prospective students. For more information, please call the Science and Technology Division office at 306-3291.

### ASSOCIATE IN SCIENCE - RADIOLOGIC TECHNOLOGY

#### Core and Selective Requirements

#### Complete Core Courses, 61 units

	Units
RADT 408 Perspectives in Radiology	.5
PHYS 405 Applied Radiographic Physics	3
RADT 400 Orientation to Radiologic Technology	2
RADT 410 Radiographic Positioning	4
RADT 420 Radiographic Positioning II	3.5
RADT 415 Radiation Protection and Biology	3
RADT 430 Principles of Radiographic Film Production	3.5
RADT 435 Imaging Equipment and Quality Control	1.5
RADT 440 Advanced Imaging Modalities & Specialized Procedures	4
RADT 441 Sectional Anatomy	1.5
RADT 442 Radiographic Pathology	1.5
RADT 450 Registry Review	1.5
RADT 418, 428, 438, 448, 458, 468 Clinical Education I-VI (total approx. 2,000 hours)	31.5

A grade of C or better is necessary for progression in the sequence. Students must obtain current certification in CPR for health care providers.

## SOCIAL SCIENCES

### Associate in Arts -

#### Social Science/International Studies

25.5-29.5 units\*

#### Transfer Program - Social Science

Available

\*and required General Education coursework and electives as needed to meet the minimum 60 units required for the Associate degree

Social science is an integrated curriculum involving the disciplines of anthropology, economics, geography, history, philosophy, political science, psychology, social science and sociology.

### ASSOCIATE IN ARTS DEGREE - INTERNATIONAL STUDIES

#### Core and Selective Requirements

#### Complete Core Courses, 25.9-29.5 units from the following list:

## SPEECH

**Associate in Arts** **18 units\***  
**Transfer Program** **Available**

*\*and required General Education coursework and electives as needed to meet the minimum 60 units required for the Associate degree.*

The Speech Department at Cañada College offers classes in the two primary forms of verbal communication: public address (rhetoric), and conversation or private discourse (dialectic). The department also offers a course in Oral Interpretation of Literature (reading aloud from the printed page), which, though concerned with neither rhetoric nor dialectic, is closely related to both of those forms of verbal address. The instructors in this department emphasize the necessity of strong and logically structured argument, at the same time recognizing the primacy of humane and empathetic elements in human communication. Speech classes at Cañada College are designed to encourage students to understand and use the traditional elements and devices of good speaking, while learning how to apply that understanding to their personal speaking styles.

### ASSOCIATE IN ARTS - SPEECH Core and Selective Requirements

**Complete Core Courses, 6 units**

	<b>Units</b>
SPCH 100 Fundamentals of Speech	3

Students should use PROJECT ASSIST ([www.assist.org](http://www.assist.org)) to research lower division major requirements at the transfer destination(s) of their choice. Also, work with a Counselor/Advisor to determine appropriate transfer coursework.

## TEACHER EDUCATION/ LIBERAL STUDIES

### **CHILD AND ADOLESCENT DEVELOPMENT AND TEACHER PREPARATION BLENDED PROGRAM- CAD/EED**

#### **An Integrated Teacher Preparation Program and Collaboration between Cañada College and San Francisco State University**

Traditionally, a teacher preparation program has been undergraduate work leading to a Bachelor's Degree followed by a 3 semester Credential Program. The undergraduate work leading to the Bachelor's Degree emphasizes subject matter competence, or WHAT to teach. The Credential Program, post Bachelor's Degree work, emphasizes instruction on HOW to teach. A blended program provides the opportunity to blend subject matter preparation and teacher preparation course work while students are completing the Bachelor Degree.

Cañada College is part of a new collaborative with San Francisco State University to offer a Blended Program in Child and Adolescent Development (CAD). The CAD program is a Commission -approved liberal arts subject-matter teacher preparation program for the Multiple Subject Teaching Credential. This Blended Program is designed to shorten the teacher preparation time. The recommended course pattern for this blended program is available in the Counseling Center. See a Counselor for more information.

## THEATRE ARTS

**Associate in Arts**

**18 units\***

**Transfer Program**

**Available**

*\*and required General Education coursework and electives as needed to meet the minimum 60 units required for the Associate degree.*

The Cañada College Drama Department presents a program rich in depth and diversity. Students pursuing a career in the theatre arts or simply desiring creative expression, will find in the drama department, a wide array of pertinent courses, as well as an extensive opportunity to put their developing knowledge and talent to work in performing on stage, in technical work, or in both. Because the department usually produces five plays during the year, a student has the opportunity to work with at least two different directors and in plays ranging from comedy to heavily dramatic works.

The Cañada Drama Department can point with satisfaction to a significant and steadily growing number of its former students who go on to professional stage, movie, and television work performing, producing, and technical and also to the many gratified amateurs.

**It should be emphasized that the drama program is designed for students of all levels of experience--beginning, intermediate, and advanced.**

### **ASSOCIATE IN ARTS - DRAMA**

#### *Core and Selective Requirements*

#### **Complete Core Courses, 15 units**

	<b>Units</b>
DRAM 101 History of Theatre I	3
DRAM 102 History of Theatre II	3
DRAM 140 Introduction to Theatre	3
