Role of the Faculty and Students

Cañada College seeks the counsel of its faculty and students through a system of permanent councils, committees and informal consultation. Standing and *ad hoc* committees are organized under the College Council or the Academic Senate which operates through a Governing Council (elected by the faculty). Classified staff members of committees are appointed by the CSEA; student members are appointed by the Associated Student Government. Instructors, students, staff and administrators participate in curriculum development and the learning processes and in the general campus environment as full voting members of the various college committees which provide guidance and assistance to the President.

Statement on Academic Freedom

The San Mateo County Community College District is dedicated to maintaining a climate of academic freedom encouraging the sharing and cultivation of a wide variety of viewpoints. Academic freedom expresses our belief in inquiry, informed debate and the search for truth; academic freedom is necessary in order to provide students with a variety of ideas, to encourage them to engage in critical thinking and to help them understand conflicting opinions.

Academic freedom encompasses the freedom to study, teach, and express ideas, including unpopular or controversial ones, without censorship or political restraint. Academic freedom, rather than being a license to do or say whatever one wishes, requires professional competence, open inquiry and rigorous attention to the pursuit of truth.

The District's faculty have the right to express their informed opinions which relate, directly or indirectly, to their professional activities, whether these opinions are expressed in the classroom, elsewhere on campus or at college-related functions. In a search for truth and in a context of reasoned academic debate, students also have the right to express their opinions and to question those presented by others.

Employment by the District does not in any way restrict or limit the First Amendment rights enjoyed by faculty as members of their communities. Faculty members are free to speak and write publicly on any issue, as long as they do not indicate they are speaking for the institution.

Protecting academic freedom is the responsibility of the college community. Therefore, in a climate of openness and mutual respect, free from distortion and doctrinal obligation, the District protects and encourages the exchange of ideas, including unpopular ones, which are presented in a spirit of free and open dialogue and constructive debate.

Revision of Regulations

Any regulation adopted by the administration of Cañada College or the San Mateo County Community College District will be considered an official ruling and will supersede regulations on the same subject which appear in this catalog and other official publications, provided that the new regulation has been officially announced and posted.

Cañada College Academic Integrity Policy*

As members of the college community, students at Cañada are expected to demonstrate integrity in all academic endeavors. Students are evaluated on their own merits, so they should protect academic integrity at Cañada College and be proud of their achievements.

General principles of academic integrity include the concept of respect for the intellectual property of others, the expectation that individual work will be submitted unless otherwise allowed by an instructor, and the obligations both to protect one's own academic work from misuse by others and to avoid using another's work as one's own. Faculty, with the full support of the college, have the right to take standards of academic

integrity into account when assigning grades. All students are expected to understand and abide by these principles.

Any act which gains or is intended to gain an unfair academic advantage or which compromises the integrity of the academic standards of the college may be considered an act of academic dishonesty.

Forms of Academic Dishonesty:

Violations or attempted violations of academic integrity include, but are not limited to: cheating, fabrication, plagiarism, multiple submissions, or facilitating academic dishonesty. Please note that culpability is not diminished when academic dishonesty occurs in drafts which are not the final version. Also, if the student receives any type of assistance or disability accommodations in the preparation or submission of materials, the student is expected to proofread the results and is responsible for all particulars of the submission.

Cheating—failure to observe the expressed procedures of an academic exercise, including but not limited to:

- communicating with fellow students during an exam, copying material from another student's exam, allowing another student to copy from an exam, allowing another person to take a quiz, exam, or similar evaluation in lieu of the enrolled student
- using unauthorized materials, information, or study aids (e.g., textbook, notes, data, images, formula list, dictionary, calculator, etc.) in any academic exercise or exam
- unauthorized collaboration in providing or requesting assistance, such as sharing information on an academic exercise or exam
- unauthorized use of another person's data in completing a computer exercise
- using computer and word processing systems to gain access to, alter and/or use unauthorized information
- altering a graded exam or assignment and requesting that it be regraded -- submission of altered work after grading shall be considered academically dishonest, including but not limited to changing answers after an exam or assignment has been returned or submitting another's exam as one's own to gain credit
- attempting to hinder the work of another student

Fabrication—falsification or invention of any information in an academic exercise, including but not limited to:

- altering data to support research
- presenting results from research that was not performed--submitting material for lab assignments, class projects or other assignments which is wholly or partially falsified, invented or otherwise does not represent work accomplished or undertaken by the student
- crediting source material that was not used for research
- falsification, alteration or misrepresentation of official or unofficial records or documents including but not limited to academic transcripts, academic documentation, letters of recommendation, and admissions applications or related documents

Plagiarism—the presentation of another's words, images or ideas as if they were the student's own, including but not limited to:

- the submission of material, whether in part or whole, authored by another person or source (e.g., the internet, book, journal, etc.), whether that material is paraphrased, translated or copied in verbatim or near-verbatim form without properly acknowledging the source (i.e. all sources of information must be cited in work submitted for a grade)
- the submission of material edited, in part or whole, by another person that results in the loss of the student's original voice or ideas

(i.e. while an editor or tutor may advise a student, the final work submitted must be the work of the student, not that of the editor or tutor)

- translating all or any part of material from another language and presenting it as if it were student's own original work
- unauthorized transfer and use of another person's computer file as the student's own
- unauthorized use of another person's data in completing a computer exercise

Multiple Submissions—resubmission of a work that has already received credit with identical or similar content in another course without consent of the present instructor or submission of work with identical or similar content in concurrent courses without consent of all instructors

Facilitating Academic Dishonesty—assisting another to commit an act of academic dishonesty, including but not limited to:

- taking a quiz, exam, or similar evaluation in place of another person
- allowing one student to copy from another
- attending a course posing as another student who is officially registered for that course
- providing material or other information (e.g., a solution to homework, a project or other assignments, a copy of an exam, exam key or any test information) to another student with knowledge that such assistance could be used in any of the violations stated above.
- distribution or use of notes or recordings based on college classes without the express permission of the instructor for purposes other than individual or group study. This includes, but is not limited to, providing materials for distribution by services publishing class notes. This restriction on unauthorized use applies to all information distributed or in any way displayed for use in relationship to the class, whether obtained in class, via email, on the Internet or via any other media.

*Some parts of this document were borrowed from the academic integrity policies of UCLA, De Anza College and USC. Modifications were made in order to address the specific needs of the Cañada College community.

Consequences Of Academic Dishonesty:

Disciplinary sanctions may be applied in cases of academic dishonesty. Depending on the seriousness of the infraction, a student may:

- Receive a failing grade on the test, paper, or examination.
- Have his/her course grade lowered or fail the course.
- Under the District standards of Disciplinary Sanctions, the student may be subject to:
 - **A Warning:** An instructor may give written or verbal notice to a student that continuation or repetition of specified conduct may be cause for further disciplinary action.
 - **Temporary Exclusion From An Activity Or Class:** An instructor may remove a student who is in violation of the guidelines for student conduct for the duration of the class period or activity during which the violation took place and, if necessary, for the day following. The instructor shall immediately report such removal to the college chief executive officer or his/her designee for appropriate action.
 - **Censure:** The Vice President, Student Services may verbally reprimand a student or may place on record a written statement which details how a student's conduct violates District or College regulations. The student receiving such a verbal or written statement shall be notified that such continued conduct or further violation of District/College rules may result in further disciplinary action.

• **Disciplinary Probation:** The Vice President, Student Services or his/her designee may place a student on disciplinary probation for a period not to exceed one semester. Repetition of the same action or other violations of District/College rules and regulations during the probationary period may be cause for suspension or expulsion. Disciplinary probation may include one or both of the following: a. Removal from any or all College organization or offices; or b. Denial of privileges of participation in any or all College or student sponsored events.

• **Disciplinary Suspension:** The termination of student status for a definite period of time. A suspended student may not be present of campus and is denied College privileges including class attendance and all other student body or College granted privileges. Refer to Suspension Policy for details.

• **Expulsion:** A permanent termination of student status and all attending rights and privileges. Expulsion of a student is accomplished by action of the Board of Trustees on recommendation of the college chief executive officer and the Chancellor. An expelled student shall not be allowed to register in any subsequent semester without the approval of the chief executive office of the College. Refer to Expulsion Policy or details.

• If a sanction entails any action greater than a written or verbal notice, the instructor must submit a Notice of Student Violation of the Cañada College Academic Integrity Policy to the Vice President, Student Services for review and appropriate follow up. This form will identify the infraction and the sanction, and should be signed by both the student and instructor.

• If a student receives any of these sanctions, he/she must first address his/her concerns with the instructor. If the student believes that the instructors' decision is unfair, the student may appeal the decision to the Vice President of Student Services in accordance with the Student Discipline Policy and Appeals Process.

• The Vice President of Student Services maintains a record of students who have engaged in academic dishonesty. This information is used to identify and discipline students who have been reported for academic dishonesty more than once, and may be shared with other faculty in whose classes the student is enrolled.

• Any record of academic dishonesty will be maintained in the Vice President of Student Services's records for a period of two years at which time, barring further infractions, it will be permanently removed.

Matriculation

Matriculation is a state-mandated process designed to support student access and success. The matriculation process begins with steps students must complete to enroll in classes, continues through the students' educational careers at Cañada, and concludes when students accomplish their educational goals and objectives. The matriculation policy applies to those who plan to complete a college certificate program, complete an Associate degree, transfer to a baccalaureate institution, or students who are undecided about specific goals but are considering a certificate, degree, or transfer.

The intention of Matriculation is to bring the College and the student into agreement for the purpose of developing and realizing the student's educational goals. Matriculation components include the following.

Admissions: Through the Admissions Application the College collects and analyzes information on each applicant, identifies student goals, and provides matriculation process information to new and former students.

Placement Test/Assessment: The Placement Test/Assessment measures students' abilities in English, reading, writing, and mathematics. This process is used to identify current academic readiness, select and plan appropriate coursework necessary to accomplish educational goals, provide a pathway to strengthen academic skills, and refer students to special programs and support services. This component of matriculation also includes assessing students' interests and values related to the world of work.

Orientation: The College Orientation Program acquaints students with essential information about the College and includes an overview of educational options and goals, College enrollment procedures, College policy, special programs and services, how to plan coursework, academic expectations, and College facilities. Orientation programs are offered online at the College website as indicated in the Schedule of Classes.

Counseling/Advisement: Students are expected to meet with a counselor at least once a semester. Early in the educational process students work with a counselor to develop a Student Educational Plan (SEP). The SEP is a personalized map that identifies semester by semester the courses and sequences of courses that students must complete to meet educational goals. Students meet with counselors each semester to monitor SEP progress and make modifications as necessary. At Cañada College students have the opportunity to identify the counselor they want to work with and the responsibility to schedule counseling appointments through the Counseling Center.

Student Follow-up: Follow-up matriculation services represent a college-wide effort that assists students to stay focused and successfully complete educational goals and objectives. Follow-up includes but is not limited to, use of student support services, programs and activities, use of academic alert systems, access to faculty to support ongoing communication with professors, published processes and procedures.

The Matriculation agreement acknowledges responsibilities of both the student and the College that enable students to achieve educational goals through established college programs, services, and policies. Matriculation identifies both College and student responsibilities.

The College is responsible for providing the following services.

- An admissions process.
- Accessible College Orientation programs.
- Pre-enrollment assessment and advising.
- Advice and counseling for educational planning that includes course selection and the development of a Student Educational Plan.
- Counseling follow-up to monitor educational progress.
- Referrals to use support services.
- Follow-up activities to enhance student success and retention.
- A program of institutional training, research, and evaluation.

Students are responsible to

- Express an educational intent/interest at entrance to the College.
- Declare an educational goal within a reasonable period of enrollment, usually following completion of 15 semester units of degree-applicable coursework.
- Be diligent about class attendance and completing assigned coursework.
- Get to know professors' academic expectations for success.
- Meet with a counselor to discuss and develop a Student Educational Plan.
- At least once a semester meet with a counselor to discuss academic progress, review the Student Educational Plan and make modifications as needed.
- Use support services.

The Matriculation process entitles students to services listed above. A student who believes the College has not afforded him/her the opportunity to use these services may file a complaint with the Dean, Counseling and Enrollment Services, Building 8, Room 204. Students may request a waiver or exemption of any of the matriculation requirements based on extraordinary circumstances. The Matriculation Exemption Petition is available at the Admissions and Records Office. For any questions contact the Dean, Counseling and Enrollment Services at 306-3310.

Alternative Matriculation Procedures

Students with physical, psychological, or learning disabilities who may need modified matriculation services are advised to contact the DSPS, Building 5, Room 207, (650) 306-3259, TDD/TTY (650) 306-3161, www.canadacollege.edu/student/disabled. Students who speak English as a second language and who may need additional assistance may contact the Counseling Department.

Matriculation Exemptions

Any student who has completed an associate degree or higher is exempt from orientation and counseling and may be exempt from assessment depending on the Cañada College course selections. Students are also exempt from matriculation if they are enrolled as a matriculating student at another college or university and only taking classes at Cañada to meet the requirements of the home institution. Students taking classes for personal enrichment or to enhance employment related skills only are exempt from matriculation. Students who have completed college level course work at another accredited American institution may be exempt from placement tests/assessment if they have evidence of successfully completing a college level course in English, reading and/or mathematics. Exempt students may elect to participate in any or all of the matriculation services provided.

Prerequisite and Corequisite Policy

What are Prerequisite, Corequisite, and Recommended Preparations?

A prerequisite (Prereq) is a condition of enrollment that students are required to meet to demonstrate current readiness for enrollment in a course. Students who fail to meet the prerequisite may be involuntarily dropped from the course.

A corequisite (Coreq) is a condition of enrollment consisting of a course that must be taken concurrently with another course. When students register for courses requiring a corequisite, they must register for both courses. Students who fail to meet the corequisite may be involuntarily dropped from the course.

A recommended course is advisory only and reflects a condition of enrollment that is strongly advised by not required.

How Can Students Meet Prerequisite Requirements?

There are several ways for students to meet prerequisite requirements.

1. Students may take the prerequisite courses.
2. Students may go through the placement test/assessment process and place into the target course.
3. Students can complete the prerequisite course or an equivalent course at another accredited college or university in the United States. This equivalency must be approved by the Office of Matriculation, Transfer, Counseling and Articulation.
4. Students may meet prerequisites through the College Board

Advanced Placement tests. The use of AP Tests as prerequisites must be approved by the Office of Matriculation, Transfer, Counseling and Articulation.

How Can Prerequisites and Corequisites Be Challenged?

Prerequisites and Corequisites may be challenged. The Prerequisite Challenge Petition and all necessary documentation must be submitted prior to the first day of class to the Admissions and Records Office. Prerequisite Challenge Petitions are available in the Admissions and Records Office or the Counseling Office. The completed Prerequisite Challenge Petition, along with one of more of the following, will be required as evidence to clearly demonstrate the knowledge and/or skills needed to successfully complete prerequisite or corequisite requirements:

- High school transcripts and/or college transcripts
- Additional test results that demonstrate a particular level of competency in the subject matter
- Any relevant work experience or independent learning, that demonstrates a particular level of competency in the subject matter.

The challenge will be resolved within 5 working days and an appeal to the decision may be made through the Office of the Vice President of Student Services.

A challenge to a prerequisite or corequisite must be based on one of the following grounds.

1. The prerequisite or corequisite is not established in accordance with district policies or Title 5 regulations.
2. The student has the knowledge and ability to succeed in the course despite not meeting the course prerequisite.
3. The student is subject to undue delay in goal attainment because the prerequisite or corequisite has not been made reasonably available.
4. The prerequisite or corequisite is unlawfully discriminatory or applied in an unlawfully discriminatory manner.

Prerequisite Checking and Enrollment Blocks

The San Mateo County Community College District enforces all prerequisite and corequisite requirements. Some prerequisites are subject to computerized prerequisite checking and students who have not met the prerequisites are blocked from enrolling in the course. Some prerequisites are enforced by counselors and instructional faculty. A counselor may inform a student that he/she has not met the course prerequisite prior to registration. Instructional faculty may enforce course prerequisites during the first week of instruction. No staff or faculty member can “waive” an enrollment prerequisite or corequisite. Once a prerequisite has been legally established and adopted, all students who wish to enroll in the course must be required to meet the prerequisite and this requirement must be applied consistently. A computerized prerequisite blocking procedure is in place for English 836 (Writing Development), English 100 (Reading and Composition), English 110 (Composition & Literature), and English 165 (Advanced Composition). Students are blocked at registration from enrolling in these courses unless they have met the prerequisites. Some students may have met prerequisites through coursework completed at other colleges or universities. These students should contact the Office of Matriculation, Transfer, Counseling and Articulation to verify prerequisite completion and to register for blocked courses.

Policy of Non-discrimination

Cañada College is committed to equal opportunity regardless of age, gender, marital status, disability, race, color, sexual orientation, religion, national origin, or other similar factors, for admission to the College,

enrollment in classes, student services, financial aid, and employment in accordance with the provisions of Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972 (45CRF 86), Section 504 of the Rehabilitation Act of 1973 (P.L. 93-112), and the Americans with Disabilities Act of 1990.

It is important that students, staff, and all others associated with the College understand the importance of reporting concerns about possible violations of this policy. The College's commitment to equal opportunity demands full investigation of possible violations and an opportunity for a fair and impartial hearing on any matter relating to these laws and policies.

Any person seeking information concerning these laws and policies or claiming grievance because of alleged violations of Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act of 1990 should contact the Vice President of Student Services.

All grievances will be reviewed in terms of Title VI and Title IX law, and persons involved will be advised of the provisions of the law and their legal rights. If normal channels are not available or fail to meet legal requirements, the necessary action will be initiated.

Inquiries regarding Federal laws and regulations concerning nondiscrimination in education or the District's compliance with those provisions may also be directed to:

Office for Civil Rights
U.S. Department of Education
50 United Nations Plaza, Room 239
San Francisco, CA 94102

Policy on Americans with Disabilities Act

The purpose of the Americans with Disabilities Act (ADA), PL 101-336, is to extend to people with disabilities civil rights similar to those now available on the basis of race, color, national origin, sex and religion through the Civil Rights Act of 1964. It prohibits discrimination on the basis of disability in private sector employment, services rendered by state and local governments, places of public accommodation, transportation, and telecommunications relay services. The ADA says that no covered entity shall discriminate against a qualified individual with a disability because of the disability of such individual in regard to job application procedures; the hiring, advancement, or discharge of employees; employee compensation; job training; and other terms, conditions, and privileges of employment.

Major employment provisions of the ADA require equal opportunity in selection, testing, and hiring of qualified applicants with disabilities (applicants with disabilities may request that special accommodations be made in order to complete these processes); equal treatment in promotion and benefits; reasonable accommodation for applicants and workers with disabilities when such accommodations would not impose "undue hardship"; and prohibits discrimination against workers with disabilities. (This provision is similar to the Civil Rights Act of 1964 and Title V of the Rehabilitation Act of 1973).

Employers may require that an individual not pose a direct threat to the health and safety of others; may not make pre-employment inquiries about an applicant's disability or conduct pre-employment medical exams; and may conduct a test for illegal drug use and prohibit all workplace use of illegal drugs and alcohol.

If you need further information or if there are any problems or complaints on campus regarding compliance, please contact ADA Coordinator Dr. Denise Swett, Vice President, Student Services, 306-3234.

Policy on Sexual Harassment

Pursuant to California Code of Regulations Title 5, Section 59300 et seq., it is the policy of San Mateo County Community College District and Cañada College to prohibit, in any and all forms, the sexual harassment of its students and staff. Sexual harassment of students by other students or staff, and/or the harassment of staff by students, is considered intolerable behavior that will be investigated and acted upon immediately.

Students or staff seeking further information concerning this policy or claiming grievance because of alleged violation of this policy should contact the Vice President, Student Services.

Additional Redress

In addition to, and concurrently with, the filing of a written grievance, a student has the right to file a complaint or charges with other appropriate governmental agencies such as the Equal Opportunity Commission, the Office for Civil Rights, the Department of Fair Employment and Housing, the Chancellor's Office of the California Community Colleges, or State or Federal court.

Policy on Smoking

In order to provide a safe learning and working environment for students and employees, smoking is prohibited in all indoor locations, outdoor balconies, terraces and stairs, and within a distance of fifteen (15) feet from any District doorway, entrance to an interior area, or air intake vents. Violation of this policy could lead to disciplinary action under usual disciplinary procedures.

Policy on Drug-Free Campus

The San Mateo County Community College District and Cañada College, in compliance with the Federal Drug-Free Schools and Communities Act Amendments of 1989, prohibits the use, possession, sale or distribution of alcohol, narcotics, dangerous or illegal drugs or other controlled substances, as defined in California statutes, on District or College property, or at any function sponsored by the District or College. Students are expected to conduct themselves as responsible citizens and in a manner compatible with the community college function as an educational institution. Students are subject to civil authority and to all District and College rules and regulations.

Students found to be in violation of the drug-free campus policy by manufacturing, distributing, dispensing, possessing, or using controlled substances, as defined in California statutes, on any District property will be subject to disciplinary measures up to and including possible cancellation of registration.

Persons seeking further information concerning this policy or the health risks and effects associated with alcohol and narcotics or other dangerous or illegal drugs, should contact Lesli Sachs, College Nurse, Bldg. 1, Room 117 (306-3309).

Privacy Rights of Students - Annual Notification

The Family Educational Rights and Privacy Act (Section 438, Public Law 93-380, as amended) requires educational institutions to provide: access to official educational records directly related to the student; an opportunity for a hearing to challenge such records on the grounds that they are inaccurate, misleading, or otherwise inappropriate; that the College must obtain the written consent of the student before releasing personally identifiable information about the student except to those persons and agencies specified by the Act; and that these rights extend to present and former students of Cañada.

Education records generally include documents and information related to admissions, enrollment in courses, grades, and related academic information.

The Dean of Counseling and Enrollment Services has been designated Records Officer, as required by the Act. Education records will be made available for inspection and review, during working hours, by currently and formerly enrolled students, within 5 days following completion and filing of a request form with the Records Officer.

If a student wishes to challenge any information in the educational record, the student shall review the matter with the Records Officer. During the informal proceedings the Records Officer may make such adjustments or changes not constituting interference or integrity of professional entries.

If these informal proceedings do not settle the dispute with the students records, the student may submit a request in writing to the Designated Officer, the Dean of Counseling and Enrollment Services, on forms provided by that office. The Designated Officer will then assign the matter within 10 college calendar days to a Hearing Officer. The Hearing Officer will set a date for the hearing. At the conclusion of the hearing he/she will render his/her decision to the President of Cañada who will make the final decision on what action is to be taken.

The student has the right to consent to disclosures of personally identifiable information contained in the student's education records except to the extent that FERPA authorizes disclosure without consent. One exception that permits disclosure without consent is disclosure to "college officials" with "legitimate educational interests". A college official is a person employed by the College or District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the Board of Trustees; a person or company with whom the College has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another college official in performing his or her tasks. A college official has a "legitimate educational interest" if the official needs to review an education record in order to fulfill his or her professional responsibility and/or clearly specified duties.

The Act provides that Cañada may release certain types of Directory Information, unless the student submits in writing to the Records Officer that certain or all such information not be released without his/her consent. Directory Information at this College includes: (1) student name address, and telephone number, (2) participation in recognized activities and sports, (3) dates of attendance, (4) degrees, certificates, and awards received, (5) the most recent previous educational agency or institution attended, (6) height and weight of members of athletic teams.

Upon request, the College discloses education records without consent to officials of another college in which a student seeks or intends to enroll.

Students have the right to withhold any item in "directory information", but must notify the College of such in writing (completion of College form, Request to Withhold release of Directory Information, available at the Admissions and Records Office) within 30 days of applying for admissions to the College.

The eligible student (18 years and over) or parents (of a dependent student 17 years and under) have the right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirement of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
600 Independence Avenue, SW
Washington, DC 20202-4605

A copy of the College policy, the Family Education Rights and Privacy Act (Section 438 P.L. 93-380), and other pertinent information is available for review and inspection in the Admissions & Records Office, Building 8, Room 215, during normal business hours.

Student Right to Know and Campus Security Act

In order to make Cañada College a safe and pleasant environment for students and employees, the College has established procedures in compliance with Federal Public Law 101-542 (Student Right-to-Know and Campus Security Act). Persons seeking information concerning Cañada campus law enforcement procedures, crime prevention efforts, and crime statistics should contact Campus Security, Building 13, Room 28, or call 306-3420.

In compliance with the Student-Right-to-Know and Campus Security Act of 1990 (Public Law 101-542), it is the policy of the San Mateo County Community College District and Cañada College to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 1999, a cohort of all certificate-, degree-, and transfer-seeking first-time, full-time students were tracked over a three-year period. Their completion and transfer rates are listed below. These rates do not represent the success rates of the entire student population at Cañada College, nor do they account for student outcomes occurring after this three-year tracking period.

Based upon the cohort defined above, 23.1 percent attained a certificate or degree or became 'transfer prepared' during a three-year period, from Fall 1999 to Spring 2002. Students who are 'transfer-prepared' have completed 56 transferable units with a GPA of 2.0 or better.

Based on the cohort defined above, 41.0 percent transferred to another postsecondary institution, (UC, CSU, or another California Community College) prior to attaining a degree, certificate, or becoming 'transfer-prepared' during a five-semester period, from Spring 1999 to Spring 2001.

More information about Student Right-to-Know Rates and how they should be interpreted can be found at the California Community Colleges "Student Right-to-Know Information Clearinghouse Website" located at <http://srtk.cccco.edu>.

Secret Organizations

Sororities and fraternities and other secret organizations are banned on community college campuses under the Education Code of the State of California.

Transportation

Field Trip/Excursion Guidelines

Throughout the semester/school year, the District may sponsor voluntary off-campus extracurricular field trips/excursions. If students choose to participate, they are advised that pursuant to California Code of Regulations, subchapter 5, section 55450, students have agreed to hold the District, its Officers, agents and employees harmless from any and all liability or claims which may arise out of or in connection with student participation in the activity.

Non-District Sponsored Transportation

Some classes may be conducted off campus. Unless specifically advised otherwise, students are responsible for arranging for their own trans-

portation to and from the class site. Although the District may assist in coordinating the transportation and/or recommend travel times, route or caravanning, students are advised that the District assumes no liability or responsibility for the transportation, and any person driving a personal vehicle is not an agent of the District.

Public Transportation

SamTrans Route 274 provides frequent weekday service to Cañada College, with extended hours Monday through Thursday evenings. Route 274 originates in East Palo Alto and serves parts of Menlo Park, Atherton, and Redwood City. The route is guaranteed wheelchair accessible. On or After the First Day of Instruction

• Enrollment Fee/ Nonresident Tuition

Students who officially drop from all courses and request a refund will be subject to a \$10 processing fee. An additional \$50 processing fee will be retained by the college for non-resident and F-1 Visa international students who request a refund. (Example: If a course has 12 meetings, 10% of 12 = 1.2. Students will receive a full refund upon request and within the published deadlines.

• Student Representation Fee

The Student Representation Fee will be waived for students who refuse to pay for religious, political, moral, or financial reasons. This waiver must be submitted in writing within the first 10% of the period of instruction of the course(s).

Credit balances remain on student accounts for a maximum of five (5) years. A student may either choose to maintain a credit balance on account or contact the Business Office to arrange for a refund. Refunds are NOT issued automatically. Fees paid by personal check will require 30 days for bank clearance before refunds can be processed. To be eligible for a refund/credit, a student must officially drop from a course. Student records are automatically held until all debts to the District colleges have been cleared.
