

Advanced Placement Test Policy

Cañada College grants credit for all College Board Advanced Placement Tests on which a student scores 3 or higher. The following list of College Board Advanced Placement Tests indicates how credit is applied to the Cañada College Associate degree general education requirements. Other AP tests not listed below generate elective credit toward the Associate degree. In order to receive credit the student is responsible for sending test score transcripts to the Cañada College Admissions and Records Office.

Advanced Placement Tests (AP) - Cañada College views, as do many colleges and universities, the Advanced Placement Test as a transcript from an independent college. Cañada College applies AP credit toward the Associate degree general education requirements in the same manner as the California State University system applies AP credit to CSU General Education/Breadth requirements. The chart above outlines general education application for Advanced Placement credit. How AP credit is applied to university majors and degree requirements is determined by evaluators at each college or university. Students should be aware that college courses taken after the AP test may duplicate the content of the AP test and, in these cases, the university (transfer destination) may not award credit for both the course and the AP test. Space does not permit discussion of how AP credit is granted for every university and program so students are advised to thoroughly investigate this area.

+IGETC - Advanced Placement tests can be used to satisfy all areas of IGETC except for Area 1B and 1C. This work may be applied toward completion of IGETC but applicability of such course work toward a major or degree requirements rests with each CSU and UC campus.

**CSU - A student may earn up to 6 semester units of baccalaureate credit for each Advanced Placement test of the college Entrance Examination Board on which the student receives a score of 3, 4, or 5. The list above indicates how AP credit is applied to CSU GE/Breadth requirements.

*UC - the University of California system grants credit for all College Board Advanced Placement Tests on which a student scores a 3 or higher. The credit may be subject, graduation credit, or credit toward general education or breadth requirements as determined by evaluators at each campus.

AA/AS Degree General Degree Pattern

Graduation from Cañada College with the Associate in Arts (AA) Degree or the Associate in Science (AS) Degree is based on completion of 60 units including the requirements “A” through “G” listed below:

A. Residence: A minimum of 12 units must be completed at Cañada College.

B. Scholarship: A minimum overall GPA of 2.0 in the 60 units submitted for the AA Degree 2.0 GPA in course work taken in the San Mateo County Community College District (SMCCCD) and a minimum GPA 2.0 in units applied to the major.

C. Basic Competency Requirements:

Reading: Eligibility for Read 420 as determined by the English Placement Exam or satisfactory completion of Engl 100 or satisfactory completion of Read 836

Writing: Eligibility for Engl 100 as determined by the English Placement Exam or satisfactory completion of Engl 100 or satisfactory completion of Engl 400 or Engl 836

Math: Placement into Math 120 or above on SMCCCD Math Placement Test or completion of Elementary Algebra (Math 110 or Math 111 and 112 with a grade of “C” or better or successful completion of any course with a Math 110 prerequisite

Computer Literacy: Satisfactory completion of a minimum of 1.0 unit of the following: Actg 190 196 Art 314 Bus 103 or any computer-related courses above Bus 417 any Comp or CIS course Intd 362 363 Legl 276 or a passing score on the Cañada College computer literacy test (both written and hands-on)

Physical Education: 2 units required of any Physical Education course except PE 690 or 695.

D. Major: See the College Catalog for major course requirements (a minimum of 12 units in the major must be completed at Cañada College).

E. General Education: General Education courses introduce the student to areas of study that develop breadth of knowledge and contribute to a balanced education. See General Education (GE) areas A through E below. **Important:** Although a course may be listed in more than one area a student may use a course to satisfy only one subject area.

CSU General Education Requirements

Students transferring to the California State University (CSU) system qualify for admission as upper division transfers if they complete at least 60 transferable units with a GPA of 2.0 or better (non-residents 2.4 or better). The 60 unit requirement must include successful completion (with a grade of “C” or better) of areas A1, A2, A3, and B4, and 18 additional units from areas B, C, D, and E. Students who complete the 39 unit pattern satisfy the lower division general education requirements for the California State University BA/BS degree. A minimum of 9 semester units of upper division general education coursework must be completed at the university after transfer. Courses listed in more than one area can be used to satisfy only one area.

At the completion of course work at Cañada College—and prior to transfer—students must request a CSU GENERAL EDUCATION CERTIFICATION from the Admissions and Records Office to be mailed with the final transcript to the transfer destination. Complete a transcript request form to make this request. Use PROJECT ASSIST (www.assist.org) for the most up-to-date transfer information which includes general education and lower division major requirements and articulation.

Inter-segmental General Education Transfer Curriculum (IGETC)

Completion of all IGETC requirements permits students to transfer from a community college to the CSU or the UC systems without the need, after transfer, to take additional lower-division general education courses to satisfy individual campus general education requirements. Many independent colleges accept all or part of IGETC in lieu of their specific general education course patterns.

At the completion of course work at Cañada College—and prior to transfer—students must request, an IGETC CERTIFICATION from the Admissions & Records Office to be mailed with the FINAL transcript to the transfer destination. Use PROJECT ASSIST (www.assist.org) for the most up-to-date transfer information which includes general education and lower division major requirements.

NOTE: All areas must be satisfied and all courses must be completed with a grade of “C” or better before the IGETC can be certified.

California State University— Transfer Courses 2005–2006

The following is a list of courses designated as transferable toward baccalaureate degree credit at all campuses of the California State University system. Always check with the Counseling Center for the most up-to-date information. Also, use PROJECT ASSIST (www.assist.org) to access CSU and UC transferable course lists, I.G.E.T.C. lists, CSU General Education Requirements lists, course-to-course equivalency information, and major course requirement information. The PROJECT ASSIST database is recognized by the California Community Colleges, the California State University system, and the University of California system as the official database of articulation information. It is the most accurate and current source of information and is updated throughout the year as curriculum changes and colleges and universities make new articulation agreements.

University of California—Transfer Courses 2004–2005

The following is a list of courses designated as transferable toward baccalaureate degree credit at all campuses of the University of California system. This information is current through July 30, 2005. The UC Transfer Course Agreement for 05-06 was not available at the time of the publication of this catalog. For current 05-06 list of UC transferable classes go to www.assist.org. Use PROJECT ASSIST (www.assist.org) to access UC and CSU transferable course lists, I.G.E.T.C. lists, CSU General Education Requirements lists, course-to-course equivalency information, and major course requirement information. The PROJECT ASSIST database is recognized by the California Community Colleges, the California State University system, and the University of California system as the official database of articulation information. It is the most accurate and current source of information and is updated throughout the year as curriculum changes and colleges and universities make new articulation agreements.

Variable Topics Courses

Variable Topics courses refers to 680's, Selected Topics, 690's, Research Projects, and 695's, Independent Study. Credit for this courses is given only after a review of the course outline by the enrolling UC campus. This usually occurs after transfer. UC will not give credit for variable topics courses in Journalism, Photography, Health, Business Administration, Architecture, Administration of Justice, or Library Departments due to credit restrictions in those areas.

Physical Education Activity Courses

The University of California gives a maximum of four semester units of credit for Physical Education activity courses. P.E. activity courses are not listed on the TCA, however, P.E. theory or courses that do not fit either the theory or activity category are listed.
